

Designer / Animator

We're looking for an ambitious and eager creative to join our team. You'll help us create content for the digital channels of our clients. Think of (interactive)animations, ads, infographics, illustrations and so on.

About us.

Content Animators is a young and fast-growing Video Marketing Agency, with animated video at it's core business. Our mission is to help our clients reach more audience, explain their message clearly and ultimately, generate leads. We work for leading companies such as Google, Albert Heijn, Microsoft, Unilever and ING.

Do you want to help us inspire clients with the tremendous opportunities video marketing brings? Read on.

Our offer.

- You will be treated as a full team member and will be able to showcase your hard work and expertise into real-life projects (think of how amazing your portfolio will look after)
- Flexible working hours and a relaxed, informal work atmosphere at a growing company
- Free lunch, fruit, snacks, and excellent coffee
- Weekly Friday festivities with colleagues and anyone who cares to join
- An inspiring workplace next to the Vondelpark (Amsterdam)
- A paid internship position that helps you grow as a professional, develop skills and knowledge you'll take with you in your next exciting career move
- Possibility to stay as an employee after!

Sounds good?

Shoot us a message! Please contact Frank de Blok, via frank@contentanimators.com and share your CV and motivation letter.

About you.

Reporting to the Creative Lead, you'll be working for multiple interesting clients. You'll have the opportunity to learn new skills, work in a fast-paced Environment, and gain valuable design experience.

There'll be lots of room for exploration of your own designs and concepts, and implementing your creative skills in the numerous projects to come.

We'll teach you the ins and outs!

Key responsibilities.

- Support our Creative Lead with creating designs & animations
- Come up with new designs and styles
- Assist with innovative ways to implement (interactive)animation
- Be a product owner of client projects
- Make storyboards and visually translate scripts
- If you're interested in copywriting; we're happy to teach you!
- Support other initiatives and team members where necessary

Your knowledge & skills.

- You're passionate and creative
- You are somewhat experienced in Adobe Illustrator
- Know your way around AfterEffects? Great! If not: we can teach you
- Possess excellent communication skills, both written and spoken
- Like visualizing engaging content and are passionate about storytelling
- Love creating content across different digital channels
- Proactive in their approach to work, is creative, and enjoys working in a team
- Don't get stressed out from fast-paced, multi-tasking roles
- Have a good eye for design
